Subject: GMO Free Statement

To whom it may concern,

We certify that the Hydrochloric Acid products provided by Detrex are GMO free.

Detrex Chemical's Hydrochloric Acid products are manufactured entirely from synthetic or manufactured products, and are not derived from any agricultural based ingredients. Our products are not processed, stored, analyzed, or packaged using any agricultural based products or derivatives. All of our products are processed, stored, and packaged in a closed system that uses no grease or lubricants derived from agricultural products.

To the best of our knowledge Detrex Hydrochloric Acid products are free of Genetically Modified Organisms.

Sincerely,

A blue ink handwritten signature that appears to read "Jim Vence". The signature is fluid and cursive, with a large loop at the end.

Jim Vence
Technical Director
Detrex Chemicals
